WEAPONS RACK

# Multiple Weapons. One Rack.

## UNIVERSAL WEAPONS RACK

### S p a c e s a v e r S t o r a g e S y s t e m s

Weapons storage has just been revolutionized with Spacesaver Corporation's new Universal Weapons Racks. Space-efficient, cost-effective, and versatile. Now available on GSA Contract. Setting up an armory has never been this easy.

**Durability** - Fully welded, heavy gauge cabinet provides long lasting use even under the toughest conditions.

**Flexibility** - "A la Carte" configurability accommodates the storage of a wide variety of weapon types (long and hand guns), gear, optics and spare barrels.

**Security** - Retractable doors and locking bars provide weapon security of conventional arms, ammunitions and explosives (OPNAVINST 5530.13B).

**Bin System** - The Bin System is designed to store gear, optics and special equipment inside the cabinet.

**Space Efficiency** - Modular, stackable design maximizes armory storage space. Cabinets may be ganged together and placed on high-density mobile systems.

Diamond shaped mesh permits visible counts of weapon inventory.

Cabinets and interior accessories are totally reconfigurable.

The Universal Weapons Rack accommodates a wide variety of weapons.
